PROFILE

Passionate about information technology, I offer my services to support businesses in their IT projects.

With a background in a BTS in IT Services for Organizations, I am diligent, autonomous, and possess excellent organizational skills.

I enjoy tackling challenges, solving complex problems, and learning new skills.

My key strengths include strong analytical abilities, excellent communication, and the ability to work both in a team and independently.

I am also recognized for my professionalism, responsiveness, and ability to quickly adapt to new technological environments.
